TECHNOLOGY & PERFORMANCE TRAINING

Technology and performance training (outside of lessons) has become an integral part of the game of golf, and can be very effective when advancing your game. Bogey Hills Golf Academy invests in the tools and has partners in the industry that can help drive that part of your game.

FlightScope

3D Doppler Ball Tracking Monitors, Golf Radars & Launch Monitors

K-Vest

Students and coaches learn their move, sequence and how they create speed or power. Additional training with K-Vest can be done outside of lessons. Inquire about program rates and scheduling.

Boditrak

Analyze, improve and validate golf performance.

Orange Whip

The Orange Whip allows students to feel if your swing is in rhythm and balanced. It can be incorporated into your warm-up before a round, practice session or off-season training. Purchase yours with STUDENT CODE = BHGAPI
